	<p>4. Public Comment:</p> <p>Welcome to our City Council meeting. The Council invites the public to address the Council on matters on the Consent Agenda and matters not listed on the agenda that are within the Council’s subject matter jurisdiction. If the Public wishes to comment on matters that are on the agenda, the Council will request comment when the matter is heard. The Council reserves the right to limit public comment on matters that are outside its subject matter jurisdiction.</p> <p>The City Council may regulate the total amount of time on particular issues and for speakers (typically 3 minutes). The Council may place additional time limits on comments, to ensure members of the public have an opportunity to speak and the Council is able to complete its business. A group may be asked to choose a spokesperson to address the Council on a subject matter, or the Council may limit the number of persons addressing the Council whenever a group of persons wishes to address the council on the same subject matter. Speakers may not cede their time to another.</p> <p>The Mayor manages the City Council meeting with a commitment to effective engagement while maintaining a positive, respectful decorum. The Mayor will typically start the Public Comment period sharing the following reminders relating decorum and Brown Act compliance efforts:</p> <ul style="list-style-type: none"> ✓ This is the time for the public to address the Council on matters on the Consent Agenda or matters NOT on the Council Agenda. This will be a comment period only. If the public wishes a response, they may provide their contact information to the Deputy City Clerk. ✓ The Mayor will recognize each speaker in an orderly fashion. Most often, the Mayor will call the speakers whom have signed in first and shall then call for those who would like to address the Council but whom did not sign in by inviting them to come to the front of the room and wait to be recognized to speak. Once the speaker is recognized, the speaker will address the Council only and shall provide comment from the public microphone. Public Comment will typically not be taken from any person shouting from the audience.

	<ul style="list-style-type: none">✓ No heckling or shouting from the audience at a speaker shall be permitted.✓ The City Council may ask “clarifying” questions only. Due to equity and Brown Act concerns, the Council will avoid engaging in dialogue or debate.✓ If there is an item of great community significance/interest and is within the Council’s subject matter jurisdiction, the Council may request the item be agendized for further consideration at a subsequent Council meeting.
	<p>5. Adjourn</p> <p>Availability of Public Records: All public records related to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at City Hall located at 305 North Mt. Shasta Blvd., Mt. Shasta, CA at the same time the public records are distributed or made available to the members of the legislative body. Agenda related writings or documents provided to a majority of the legislative body after distribution of the Agenda packet will be available for public review within a separate binder at City Hall at the same time as they are made available to the members of the legislative body.</p> <p>The City of Mt. Shasta does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or provision of services. In compliance with the Americans with Disabilities Act, persons requiring accommodations for a disability at a public meeting should notify the City Clerk or Deputy City Clerk at least 48 hours prior to the meeting at (530) 926-7510 in order to allow the City sufficient time to make reasonable arrangements to accommodate participation in this meeting.</p>

As an owner of Directions, I am disappointed that all so many businesses are closing. I see a need for varied and increased merchants in downtown. I believe there is a real need for revitalization. It is important to support downtown in the many potential venues; i.e. business, community events. I feel I am qualified because I am a business owner downtown that has had a long history. (We bought the store 4 years ago to continue the tradition).
