4. Public Comment Welcome to our meeting. The committee invites the public to address the committee on matters on the Consent Agenda and matters not listed on the agenda that are within the committee’s subject matter jurisdiction. If the Public wishes to comment on matters that are on the agenda, the committee will request comment when the matter is heard. The committee reserves the right to limit public comment on matters that are outside its subject matter jurisdiction. The committee may regulate the total amount of time on particular issues and for speakers (typically 3 minutes). The committee may place additional time limits on comments, to ensure members of the public have an opportunity to speak and the committee is able to complete its business. A group may be asked to choose a spokesperson to address the committee on a subject matter, or the committee may limit the number of persons addressing the committee whenever a group of persons wishes to address the committee on the same subject matter. Speakers may not cede their time to another. If there is an item of great community significance/interest and is within the committee’s subject matter jurisdiction, the committee may request the item be agendaized for further consideration at a subsequent committee meeting.

5. Meeting Recess
6. Staff & Member Comments
7. Consent Agenda: a. Approval of Minutes:

8. Festival Ideas / Projects

1 Mural Project

a. First Location

- i. Brick Wall (city owned)
- ii. Kennedy – 402 S. Mt. Shasta
- iii. Hoffman – Back – (Arrow – visit Historic Mt. Shasta)

b. Other ideas not yet brought up – Power Boxes – Julianna will draft and put out a request for art for these items – Committee decided to put it in the paper, chamber, facebook, Call for submission : deadline is August 5th @ city Hall – 4pm. Stearns made Motion to approve - Uttech 2nd – motion to put out press release to put this out to the city as well as a cap of funds per mural at \$250. All Aye – Content related to spiritual, metaphysical, historical & natural renderings.

c. What To Paint

- i. Brick Wall: Flowers – California poppies & Quail (state of California) –
- ii. Kennedy –
- iii. Hoffman – Visit Historic Downtown w/ Arrow

d. John will volunteer time – It appears that we are exempt from passing this through the planning commission but we will write up an agreement that the owner of the building signs agreeing to have the modification done.

2 Question: came up with who will maintain the murals – John said they should last about 8-10 years – and just may need touch up at that time.

3 Motion made by Stearns to approve use of DEAC funds to pay for paint and prep for the first 3 locations – 2nd by Haugen – All Aye.

4 Future Downtown Enhancement

a. Benches, light posts, sculptures around town,

5 Cool Mountain Nights – Labor Day Weekend

a. Parish – how can we / do we get involved.

b. ~ year round project – Mt. Shasta Show & Shine – is the car show –cost is usally 8-10K to put the show together – and they make enough to cover the expense – Parish will let us know if we can help in any way. One of the issues is trying to keep people here to come on a Friday and stay for the entire weekend – not just leave after the car show.

9. Way Finding Signs update – tabled

10. Committee Reports on Attendance at Appointed/Outside Meetings

a. Julianna brought up the parking requirements – active transportation are looking at alternatives – the idea is to include “bike” spaces as a in lieu of parking spaces for the ordinance –

11. Parker Plaza – plans and specification by next meeting for checkerboard – trees installed in parker plaza to soften it. Calendar is used by chamber – on a weekly basis – so to add to the calendar – go to the chamber.

12. Future Agenda Items (Appearing on the agenda within 60-90 days):

- a. Parking Tickets
- b. Parker Plaza Renewal
 - i. schedule of events – Friday night music – Friday night art show
- c. Shasta skies by night
- d. enhancing tree's in front of every building
- e. pet rock idea
- f. downtown parking district - remove parking district – set fee – some not paying – paying by “spaces”?
- g. parking meters

13. Adjourn

Availability of Public Records: All public records related to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at City Hall located at 305 North Mt. Description

The MegaChess Plastic Checker Set with a 10" diameter is an affordable and outstanding introduction to large checkers. The set is ideal for picnics, parties and whenever friends and family gather. And very affordable! This Checkers Set will inspire children to play! Great for chess clubs, schools, hotels, special events and backyard family gatherings. Rugged hard plastic.

This Checkers Set is the companion set to the Plastic Chess Set with a 25", 37" or 49" King.

The plastic pieces are made of rugged, waterproof, and UV-resistant injection molded plastic. These are commercial grade checkers and will stand up to years of abuse. The chess set withstands the outdoor elements very well and will retain its color. We have these sets in the heat of the Middle East, the humidity of the Far East, the cold of the Rocky Mountains and the salty air, sun and sand of the Southern California beaches. We have the product in stock, and we can ship immediately. Light enough to take on any outing, you can count on people (especially kids) to walk up and make friends.

The Checker Board is not included in this chess set. We have four excellent checkerboards for this this set of checker pieces:
Regular Meeting September 21, 2016

Nylon Checkerboard with 13" Squares - this is a very durable, quick fold checkerboard that has metal grommets in the corners and comes with four metal spikes to hold the board in place on grass. This board sets up in less than a minute is best used when you prefer to store the checkers set when not in use.

Plastic Checkerboard with 14" Squares - this is a sturdy interlocking plastic checkerboard that will remain quite solid through play. This board takes about 15 minutes to assemble so it is best used when you want to leave the checkerboard in place.

Rolaboard Checkerboard with 13" Squares and Safety Edge Ramps - this is a commercial grade checkerboard that will last forever. The Safety Edge Ramps add a finished look to the board while reducing the height at the edge of the board to ground level, thereby reducing trip and fall risks.

Rubberized Vinyl CheckerBoard with 12" Squares and Safety Edge Ramps - this is our most elegant commercial grade checkerboard. Again, the Safety Edge Ramps add a finished look to the board while reducing the height at the edge of the board to ground level, thereby reducing trip and fall risks.

Description

We took our most popular seller, the Plastic Chess Set with the 25" King, and designed an insert for all such chess sets to make them a foot taller.

Many of our customers find the Plastic Chess Set with a 37" King to be the best mix of size, weight and cost for chess clubs, schools, backyards, hotels, cruise ships, country clubs, special events and recreational facilities.

The plastic MegaChess pieces are made of indestructible high-density polyethylene (HDPE) recycled plastic. These chess pieces are rugged, waterproof, and UV-resistant injection-molded, hollow plastic. The chess set withstands the outdoor elements very well and will retain its color. We have these sets in the heat of the Middle East, the humidity of the Far East, the cold of the Rocky Mountains and the salty air, sun and sand of the Southern California beaches.

We have the product in stock, and we can ship immediately. Light enough to take on any outing, you can count on people (especially kids) to walk up and make friends.

Standing 37" tall the giant lawn chess pieces are light enough to move easily, yet massive enough to resist the wind. If you prefer to make the chess pieces a little heavier, you can easily add up to 9 pounds of sand, water or gravel to the bases.

This chess set does not come with a chessboard. Many of our customers choose to install permanent chessboards for this set. We have thousands of examples of different designs. If you would like a chessboard, we have many options from strong, thin nylon chessboards to medium use residential chessboards to high use commercial grade chessboards.

The plastic MegaChess pieces are made of indestructible high-density polyethylene (HDPE) recycled plastic. These chess pieces are rugged, waterproof, and UV-resistant injection-molded, hollow plastic. The chess set withstands the outdoor elements very well and will retain its color. We have these sets in the heat of the Middle East, the humidity of the Far East, the cold of the Rocky Mountains and the salty air, sun and sand of the Southern California beaches.

We have the product in stock, and we can ship immediately. Light enough to take on any outing, you can count on people (especially kids) to walk up and make friends.

Standing 25" tall the giant lawn chess pieces are light enough to move easily, yet massive enough to resist the wind. If you prefer to make the chess pieces a little heavier, you can easily add up to 9 pounds of sand, water or gravel to the bases.

This chess set does not come with a chessboard. Many of our customers choose to install permanent chessboards for this set. We have thousands of examples of different designs. If you would like a chessboard, we have many options from strong, thin nylon chessboards to medium use residential chessboards to high use commercial grade chessboards.
