**Subject: Notice of Availability and Intent to Adopt a Mitigated Negative Declaration for the State-Mandated Wastewater Treatment and Outfall Improvement Project, Siskiyou County, CA**

To Whom It May Concern:

This notice is to advise interested parties that an Initial Study has been prepared for the State-Mandated Wastewater Treatment and Outfall Improvement Project and is available for your review. If you've received this letter, it means you are an individual who has requested to be notified, or are a local agency. This information is being circulated in order to solicit comments from public agencies and interested members of the community on environmental issues related to the scope of the Initial Study.

### **Project Summary**

The proposed project entails improvements to the Mt. Shasta Wastewater Treatment Plant and Sacramento River outfall. These improvements are necessary to comply with Central Valley Regional Water Quality Control Board requirements for wastewater discharge. The proposed improvements would be located within the footprint of the existing facilities and would include a replacement treatment plant and a new diffuser at the river outfall. The project site is not identified as a hazardous waste facility, hazardous waste property, or hazardous waste disposal site. The ±10-acre project site is located at the southern terminus of Grant Road, southeast of the Mount Shasta Resort Golf Course, just south of the City of Mt. Shasta, Siskiyou County, California.

### **Project Review Period**

The 45-day public review period for the Initial Study extends from November 25 to January 8, 2016.
