	<p>4. Public Comment:</p> <p>Welcome to our City Council meeting. The Council invites the public to address the Council on matters on the Consent Agenda and matters not listed on the agenda that are within the Council’s subject matter jurisdiction. If the Public wishes to comment on matters that are on the agenda, the Council will request comment when the matter is heard. The Council reserves the right to limit public comment on matters that are outside its subject matter jurisdiction.</p> <p>The City Council may regulate the total amount of time on particular issues and for speakers (typically 3 minutes). The Council may place additional time limits on comments, to ensure members of the public have an opportunity to speak and the Council is able to complete its business. A group may be asked to choose a spokesperson to address the Council on a subject matter, or the Council may limit the number of persons addressing the Council whenever a group of persons wishes to address the council on the same subject matter. Speakers may not cede their time to another.</p> <p>The Mayor manages the City Council meeting with a commitment to effective engagement while maintaining a positive, respectful decorum. The Mayor will typically start the Public Comment period sharing the following reminders relating decorum and Brown Act compliance efforts:</p> <ul style="list-style-type: none"> ✓ This is the time for the public to address the Council on matters on the Consent Agenda or matters NOT on the Council Agenda. This will be a comment period only. If the public wishes a response, they may provide their contact information to the Deputy City Clerk. ✓ The Mayor will recognize each speaker in an orderly fashion. Most often, the Mayor will call the speakers whom have signed in first and shall then call for those who would like to address the Council but whom did not sign in by inviting them to come to the front of the room and wait to be recognized to speak. Once the speaker is recognized, the speaker will address the Council only and shall provide comment from the public microphone. Public Comment will typically not be taken from any person shouting from the audience. ✓ No heckling or shouting from the audience at a speaker shall be permitted.

	<ul style="list-style-type: none">✓ The City Council may ask “clarifying” questions only. Due to equity and Brown Act concerns, the Council will avoid engaging in dialogue or debate.✓ If there is an item of great community significance/interest and is within the Council’s subject matter jurisdiction, the Council may request the item be agendized for further consideration at a subsequent Council meeting.

Questions for Planning Commission Candidates:

1. How would you like the City of Mt. Shasta to develop in the next 5 to 20 years?
I would not be for over development but rather have Mt. Shasta remain much as it is to maintain its pristine allure. I am for intelligent growth.
2. What types of development would you envision occurring in the City and surrounding area?
I think perhaps addition of bike lanes small tourist attractions perhaps a venue for live music in the warm weather.
3. Please describe your thoughts about the following planning related activities such as Annexation of property within the City's Sphere of Influence.
I would need more information to answer this intelligently.
4. Types of business and industrial development within the City
When I moved here in 1976 we had no less than 12 restaurants. We had a men's clothing store, a shoe store and a drugstore fountain (Windsors). These added to the charm of this town. These are the types of things I would like to see here.
5. Development of types of housing opportunities needed in Mt. Shasta
Perhaps a few middle income housing condominiums I am not a big proponent of large low income housing projects.
6. What commercial development should occur outside the downtown area?
I believe something should be done with the old Roseburg property south of town. Perhaps a family fun center or park or recreation center (ball fields etc.) Also look toward light development on Spring Hill road for light industry and possibly the aforementioned musical venue with Mt. Shasta in the background. We could encourage tourism and visitation by having something similar to the Britt festival there.

Thank you for the opportunity to respond and apply to the commission. I hope these answers are satisfactory.

Thank You,
Paul Beck
