Profile

Police Services Manager Amber Orrey has been with Mt Shasta Police Department since 2019. She has worked her way up as a part-time/on call public safety dispatcher to her current position. She is responsible for the records and property & evidence unit, as well as training manager and executive assistance to the Chief of Police. She also manages the department social media. She is currently working on getting her bachelor's degree in Psychology and then her Master's to become a licensed therapist to work with first responders and victims of domestic violence. In her free time she enjoys hiking and kayaking, as well as spending time with her family and friends.
