In the event animals are found loose in the City, it is possible that Animal Control has picked them up. We board pets at the Siskiyou Humane Society. You may check with us to see if your pet has been rescued by calling [\(530\) 926-7540](tel:5309267540) 24 hours a day, seven days a week.

Following is the City of Mt. Shasta’s fee schedule for impounding and boarding animals:

Additionally, citations, delinquent rabies or City dog licensing fees will be required prior to the release of your pet.
