ARTICLE 4 - BENEFITS

4.01 HEALTH INSURANCE

The City shall provide a “Flexible Benefit Cafeteria Plan” for health insurance benefits, which will include medical, dental, and vision, pursuant to IRS Code Section 125.

- c. In the event it is determined by the Trustees of the aforementioned Plan, that, in order to maintain the current level of benefits, an increase in premiums is necessary, the City will pay the increase up to the CAP for the term of this Agreement as indicated in Section A above. Employees will be responsible for any amount over the CAP by payroll deduction.
- d. The City agrees to implement an IRS 125 Plan for all Teamster employees. However, this plan will be at no cost to the City.

- e. Plan E Plus has an annual open enrollment period allowing employees to “opt in” and “opt out” or change tier levels. These changes may be made at any time with a “qualifying event”.
- f. The City agrees to “frontload” the employee and employer H.S.A. account contribution in January of each year and remit the health insurance premiums for each participating employee monthly thereafter. All employees participating in Plan E Plus and thereby participating in the H.S.A. must sign an H.S.A. Frontloading Agreement.
- g. The frontloading of the employee and employer H.S.A. account contributions in January of each year may result in a reduction of revenue to the City. This reduction would be equal to the difference in the interest that would have been earned on the frontload amount had it been paid out monthly instead of a lump sum at the beginning of the year. This reduction in revenue shall be calculated each year based on the interest rate of the Local Agency Investment Fund at the time the frontload is paid by City, and shall be reimbursed to City from funds in the pooled cap.
- h. In July of each year an analysis of actual year to date and projected costs for the remainder of the calendar year to the required City contribution for participating employees will be completed by the City. If the cost of premiums and H.S.A. contributions are projected to exceed the available pooled cap per Article 4.01 A of this agreement, payroll deductions will commence in July with allocation of the excess cost shared equally. If the cost of premiums and H.S.A. contributions are projected to be less than the pooled cap, the difference shall be placed into a designated reserve for utilization by participants as a pooled group towards future health insurance costs.
- i. A second cost analysis will be completed in November of each year based on actual experience and the impact of any premium increases to be effective on January 1 of the following year. If the cost of premiums and H.S.A. contributions are projected to exceed the available pooled cap per Article 4.01 A of this agreement, payroll deductions will be adjusted in December with allocation of the excess cost shared equally by employees. If the cost of premiums and H.S.A. contributions are projected to be less than the pooled cap, the difference shall be placed into a designated reserve for utilization by participants as a pooled group towards future health insurance costs.
- j. Payroll deductions will be based on annual costs with monthly deductions for each employee calculated based on the number of payroll checks to be received by the employee.
- k. As employees who are Medicare eligible are no longer eligible for a Health

Savings Account (per IRS guidelines), the City agrees to pay directly to the employee in a lump sum payment the same amount that would fund their appropriate deductible. This payment shall be issued in January of each year, or the month the employee originally becomes eligible for Medicare.

- l. Employees who are newly hired after January 1 shall not have their H.S.A. contributions frontloaded. Once eligible for benefits, the City shall make appropriate deposits to their H.S.A. account on a monthly basis equivalent to the months of eligibility for that year.
- m. The City will report H.S.A. contributions on year end W-2 statements issued to employees as required by IRS regulations and will evaluate classifications and reporting of future employee deductions for costs in excess of the City cap contribution as premiums or H.S.A. contributions as prescribed by IRS regulations.
- n. Employees must notify the City of their intent to participate in additional voluntary contributions to their H.S.A. account via payroll deductions at least 30 days prior to the commencement of such deductions utilizing the prescribed enrollment form.

During the term of the agreement, the City and the Union will continue to explore Health and Welfare options that may, by mutual consent, be implemented during the term of the agreement.

Any unused hours of bereavement leave shall not roll over to the following calendar year.

ARTICLE 6 - GRIEVANCE AND DISCIPLINE PROCEDURES

6.01 GRIEVANCE PROCEDURE

A. Definition

A grievance shall be defined as a claim by an employee, group of employees, or recognized employee organization of an alleged violation, misinterpretation, or misapplication of any employer-employee relations resolution; any memorandum of understanding with an employee association; or any written City ordinances, rules, regulations, policies or procedures relating to wages, hours, or other terms

and conditions of employment, excluding disciplinary matters that are applicable an the employee.

B. Basic Rules

1. Any employee, employee group or recognized employee organization may file a grievance without fear of reprisal.
2. The grievant must specify the relief sought.
3. The grievant or their representative shall be granted reasonable use of City time and facilities in the processing of their grievance after it has been submitted.
4. Time limits may be extended by mutual consent, in writing.
5. Failure by a grievant to file any statements or appeals within the specified time limits, unless extended, constitutes an abandonment of the grievance.
6. The City designee responsible for the scheduling of meetings and conferences shall give timely, written notices of such meetings and conferences to all parties concerned.
7. Two or more employees with a common grievance may initiate a single proceeding, but one member shall be designated for processing the grievance.
8. At any stage of the grievance procedure from Department Head and above, employees may be represented by one agent of their recognized employee organization.
9. At any stage of the grievance, the employee may withdraw the grievance by giving written notice to the Department Head or the City Manager, provided that if the employee has chosen to be represented by an Agent said Agent shall also concur, which shall then become a permanent part of the Personnel Department's records.
10. If the employee considers the answer to their grievance to be satisfactory, then the matter will be closed and the resolution documented in the Personnel Department's records. If the employee subsequently desires to reopen the grievance, the employee must initiate it at the beginning of the grievance procedure.
11. Filing of a grievance shall in no way interfere with the right of the City to proceed in carrying out its management responsibilities subject to the final determination of the grievance. Grievant (s) shall continue to perform all duties and assignments pending final determination, unless unsafe

conditions exist.

C. Procedure

There shall be an earnest effort on the part of both parties to resolve grievances promptly at the lowest supervisory level consistent with fairness and equity.

Step 1 - Informal Discussion with Supervisor:

Employee must discuss their allegation of a grievance with their immediate supervisor on an informal basis within twenty (20) calendar days from the date of the action causing the grievance, or date of discovery of such action, except that in no event shall any grievance be accepted for consideration more than six (6) months from the action claimed as its basis, regardless of the date of discovery. If the grievance directly involves the immediate supervisor, the grievant may go directly to the next higher level of supervision who shall process the grievance. Within seven (7) working days, the immediate supervisor shall give their decision to the employee. If the decision is not satisfactory to the employee, or if no answer is received within the time limit, the employee may initiate a formal grievance.

The preceding requirement is not intended to restrict an employee's right to take any issue regarding discrimination, harassment, whistle-blowing, or any other legally protected right directly to any management level, or to the City's Employee Protection Line.

Step 2 – Formal Written Grievance:

Employee will initiate the formal grievance by submitting a written statement fully detailing the facts surrounding the grievance, the provisions of agreements or policies alleged to have been violated, and the proposed relief being sought. This formal grievance will be submitted to the Department Head in charge within seven (7) working days after receipt of the immediate supervisor's informal response, or failure to respond within the time limit. The Department Head shall, within seven (7) working days, deliver a decision, in writing, to the employee. If the answer does not satisfy the employee, or is not forthcoming within this time limit, the employee may initiate Step 3 of the grievance procedure.

Except as already provided in Step 1 where a supervisor is directly involved in the matter of grievance, in the event there are additional levels of supervision between the employee's immediate supervisor and the Department Head, this step of the process may be required by the Department Head to be first initiated at an intermediate supervisor level, but not more than one time.

Step 3 – Review by the City Manager/Personnel Director:

The employee may initiate Step 3 by filing an appeal, in writing, with the City Manager within seven (7) working days after receipt of the Department Head's decision, or from the expiration of the time limit for a decision. The City Manager may elect to utilize the services of the Personnel Officer in responding to the grievance. The City Manager shall, within ten (10) working days of the receipt of the appeal, meet with the aggrieved employee to review the grievance. The City Manager will deliver a decision in writing to the employee within seven (7) working days of this meeting. If the employee is not satisfied with the decision, has not received an answer within seven (7) working days of the filing of the appeal, or no meeting with the City Manager has taken place within ten (10) working days of the filing of the appeal the employee may initiate Step 4.

Step 4 – City Council's Final Decision:

The employee may initiate Step 4 by filing an appeal to the City Council, in writing, with the City Clerk within ten (10) working days from receipt of the City Manager's response, or failure to respond within the time limits. The City Council may, at its discretion, refuse to hear the grievance in which case the City Manager's decision shall be final. The City Council may choose to accept the grievance, in which case, both the City Manager and the grievant or their representative may make their presentations to the City Council. The City Council will deliberate the grievance and, within fifteen (15) days after hearing presentations on the grievance, arrive at a decision that shall be final and binding. In extraordinary circumstances, the City Council, at its sole discretion, may appoint a special panel or engage a hearing officer to hear the grievance and make a recommendation or render a final decision.

6.02 DISCIPLINE PROCEDURE

Each Department Head shall have the right to discipline or recommend to the City Manager for discipline any employee subject to their jurisdiction for any reason which is in the best interests of the City. Causes for disciplinary action include, but are not limited to, misconduct, dishonesty, insubordination, incompetence or inefficiency, failure to perform duties, conviction of crimes of moral turpitude, repeated and unexcused absences, abuse of sick leave privileges, abandonment of position, offering or accepting anything of value in exchange for receiving or granting special treatment in connection with an employee's position, violation of personnel rules or departmental rules, or any other serious offense related to employment with the City of Mt. Shasta. Such discipline may include but not be limited to reprimand, suspension, demotion, reduction in compensation, or termination.

A. For written reprimands steps 1-5 shall be followed:

1. The immediate supervisor shall meet with an employee to discuss proposed disciplinary action after notifying the employee in writing that such a meeting is being held for the purpose of ascertaining whether disciplinary action is appropriate.
 2. After any meeting or meetings held under paragraph A.1, the supervisor shall notify the employee within five (5) working days of any proposed disciplinary action by written notice containing the following information:
 - a. A clear and concise statement of the reasons for such action, including the acts or omissions, and rules or policies violated, if any, on which the disciplinary action is based.
 - b. A description of the proposed action to be taken and the date it will be effective.
 - c. A statement advising the employee of the right to respond, either verbally or in writing, to the authority proposing the action prior to its effective date.
 - d. A statement that a copy of the materials upon which the action is based is attached.
 - e. A statement advising the employee of the method and right to appeal and the time within which the appeal must be made.
 3. If the employee agrees with the proposed discipline, it shall be forwarded to the Department Head, who shall meet with the employee within seven (7) working days to confirm the disciplinary action.
 4. If an employee wishes to formally appeal a written reprimand, the employee shall submit a written request to their Department Head within ten (10) days of receipt of the memorandum or the written notice of paragraph 2.
 5. The Department Head shall meet with the affected parties within (10) working days of receipt of a formal appeal, and render their final decision within ten (10) working days thereafter. The employee shall have the right to submit a written response to the reprimand, which shall also be placed in the employee's personnel file.
- B. For suspensions of one (1) or more days, demotions, reduction in compensation, or terminations, Steps 1-4 under paragraph A. above shall be followed. However, an employee may be placed on administrative leave with pay when exigent circumstances exist that requires immediate removal from duty. In

addition to steps 1-4 under paragraph A., the additional steps below shall be followed for suspensions of one (1) or more days, demotions, reductions in compensation, or terminations:

1. If after completing step 2 or 4, a supervisor makes a recommendation to the Department Head for suspension for one (1) or more days, demotion, reduction in compensation, or termination, and the Department Head determines such discipline may be warranted, the Department Head shall provide the employee with written Notice of Intent to impose disciplinary action either hand-delivered or mailed certified to the employee's last known address reflected in the personnel records if the employee is not available at the job site. The Notice of Intent shall include the following information:
 - a. Specific charges set forth in separate counts, describing the conduct underlying each count.
 - b. A separate recommendation of proposed discipline for each charge and the date it will be effective.
 - c. A statement that the employee has been provided all of the materials considered by the Department Head in recommending the proposed discipline.
 - d. An opportunity to respond orally or in writing, or both, to the Department Head within seven (7) days of receiving the Notice of Intent.
 - e. A statement that the employee has a right to be represented by an agent of their employee organization.
 - f. A statement that the employee has a right to appeal the Department Head's decision to the City Manager.
2. If after reviewing the employee's response to the Notice of Intent, or lack of response, the Department Head determines to implement discipline beyond a written reprimand, they shall deliver to the employee written notice of such action. Employee may appeal the decision of the Department Head concerning the disciplinary action to the City Manager, by written notice, within seven (7) days of receiving the Department Head's decision.
3. The City Manager shall within ten (10) days after receipt of an appeal notice, schedule a date for an appeal hearing to provide an opportunity for the employee or their representative to present additional evidence or statements prior to making a decision as to whether to uphold, modify in whole or in part, or overrule the Department Head's recommendation.

4. If the employee is not satisfied with the City Manager's decision the employee shall have a further right of appeal to the City Council, which shall be exercised by written notice to the City Clerk within ten (10) days of receipt of the City Manager's decision. The City Council may hold an appeal hearing itself, or may appoint a hearing officer who shall conduct an administrative hearing. The City Attorney or designee shall reach agreement on selection of the hearing officer with the employee and the employee's representative prior to making the appointment. The hearing officer shall be a neutral party from outside the organization.

The fees and expenses of the hearing officer and court reporter shall be shared equally among the parties. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expenses of witnesses called by the other except as provided by law.

A party requesting a transcript to the hearing shall bear the cost thereof. The hearing officer shall make a recommendation to the City Council to sustain, modify, or reverse the disciplinary decision. A copy of the recommendation will be given to the employee. The City Council will issue a final decision within fifteen (15) working days of receiving the recommendation, and may, but is not required, to accept the hearing officer's recommendation.

This procedure does not constitute a waiver of the employee's right to request a review of the City's decision in a court of law pursuant to Code of Civil Procedures Section 1094.5 that is filed within ninety (90) days of the final decision.

6.03 ABANDONMENT OR RESIGNATION

- a. An employee shall be deemed to have abandoned their position if the employee fails to show up for work and perform their duties or fails to otherwise notify their supervisor for three (3) consecutive work days. The City shall mail notice to the employee which informs the employee that they will be deemed to have resigned from their employment with the City unless said employee returns to work and performs their duties within one (1) work day of personal delivery of notice or within two (2) work days of mailing by overnight mail to the employee's last known address.
- b. The intent of any employee to resign their employment shall be submitted in writing to their Department Head, given a minimum of ten (10) working days notice. The resignation is effective upon delivery by the employee and is deemed irrevocable upon receipt provided, however, the City Manager may at their sole discretion and authority, permit an employee to withdraw the employee's resignation.
