### **Important Information about Residential and Commercial Garbage Service:**

Summit Disposal requests that all City customers put their address and unit number on their can(s) prior to July 1, 2020.

Cardboard, if broken down, bagged and placed inside your residential garbage can, will be picked up at no additional charge. If extra bags or cans are left out, you will be billed accordingly.

Commercial cardboard that is clean and flat will be charged \$1 per ¼ yard. If it is not flat, or is wet or contaminated, it will be charged at the commercial extra trash rate.

The City can no longer subsidize collection and disposal of commercial cardboard and recycling. Commercial recycling will be charged \$33.61/month for weekly pickups each Thursday, or \$22.40/month for two pickups a month the first and third Thursday, until the Curbside Recycling Program starts in 2021.
