FOR IMMEDIATE RELEASE

**EFFECTIVE IMMEDIATELY**

# All Fireworks Displays and Sales Prohibited

**MT SHASTA** – Due to adverse conditions, all public fireworks displays and sales are prohibited within City limits until further notice; this includes the sale and display of “Safe and Sane” fireworks. Firework activity within City limits will be prosecuted.

Extreme heat, local fire activity, historically low fuel moisture levels, atmospheric conditions, and a lack of available resources were all considerations in the decision to ban fireworks. Please continue to be vigilant and to be prepared in the case of wildfire. More information on how to be prepared can be found here: <https://mtshastaca.gov/emergency-preparedness/>
